MOISTURE PROOF WARRANTY

MOISTURE PROOF LIMITED WARRANTY

Please Read Carefully

This is a Limited Warranty. It covers the structure described on page 1 for which Moisture Proof has been purchased. The Warrantor is DuraCore Pty Ltd.

- A. This letter is to act as a warranty and confirm that we guarantee that our products will equal or exceed the product performance outlined and described in our latest technical literature. The duration of this warranty is fifteen years from date of installation. Please note that warranties are not available on concrete older than 15 years.
- B. The Warrantor warrants to the buyer that the products sold hereunder are free from defects in material and workmanship under normal use and service in the hands of the original purchaser. No other guarantees or warranties, express or implied, are made by DuraCore P/L or its representatives and its liabilities shall be limited to those herein specified. This warranty does not apply to damage resulting from structural, cracking, concrete faults of joint area's requiring caulking or sealants. Further more; we cannot be responsible for the quality of the concrete, the workmanship of the finished concrete nor the misapplication of the Moisture Proof material. The preparation and application procedures are carried out as specified in our latest preparation and installation bulletins.

UNLESS THE SAID APPLICATION OF THIS PRODUCT IS IN ACCORDANCE WITH THE COMPANY'S INSTRUCTION, THE SAID PRODUCTS ARE SOLD "AS IS" AND WITHOUT ANY WARRANTY WHATSOEVER.
