CONCRETE GRINDERS

Shark S460

Floor Grinding Machine

The S460 is an extremely convenient single-phase grinder that is ideal for a wide range of residential and commercial applications. Its compact design ensures easy transportation and maneuverability.

Equipped with a powerful 2.3KW PM motor and a new generation gearbox, the HTG 460 delivers substantial floor pressure despite its weight of 194KG. It is the perfect choice for indoor or small-scale projects, providing exceptional performance and results.

Key Applications

- Surface preparation
- Grinding and polishing
- Suitable for concrete, epoxy, terrazzo, and stone surfaces.
